

# Network Imaging Centers Near You

# Where You Go for Care Matters

When your doctor orders an X-ray, MRI, CT scan, ultrasound, or other radiology/imaging service, consider using a nonhospital-affiliated freestanding imaging center instead of a hospital-affiliated center. These centers offer you quality care and may save you time and money, too.

---

## Confirm Network Participation

Before scheduling or getting your service, be sure to confirm that the provider is in your plan's network:

- Call the Member Service number on your Highmark Delaware ID card.
- Log in to your member website at **highmarkbcbsde.com**. Then select the **Find a Doctor** tab to begin a search.

---

## Network Imaging Centers
